Dear Sir:

We call your attention to some special values in Genista
Fragrans, excellent plants for Easter flowering, which, for the want
of suitable room to carry over winter, we will close out at the
following special prices.

Four inch pots, fine plants, \$10.00 per 100.

Five inch pots, " " 15.00 " "

We also offer a limited stock of Begonia Gloire de Lorraine
elegant plants in six inch pots for Christmas flowering, at 75¢ each.

This is the best season of the year to lay in a stock of
Dreer's Double Petunias. We can at present supply fifteen of the
finest varieties, that we have ever sent out, in good thrifty stock
plants, from four inch pots (these are not old carried over plants,
but thrifty young stock of this summer's propagations, and which
will furnish quantities of cuttings in a short time), at the special
price of \$8.00 per hundred.

Soliciting the favor of your orders, we are,

Yours truly,

Henry A. Dreer, Inc.,
